For Contemporary & Modern Homes

aapkapainter.com

A Modern Colour Palette

for Indian Homes

CREAMY WHITES

Foundation for maximising natural light and creating airy spaces

SOFT NEUTRALS

Designed to perform across light conditions and home styles

GREENS & MUTED BLUES

Nature-inspired tones for calm, open interiors

WARM EARTHS

Sun-kissed character for Indian homes

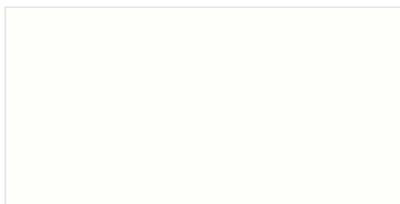

MODERN GREYS

Contemporary foundations for minimalist design

CREAMY WHITES

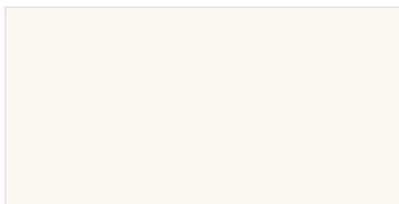

Pure Whites & Off Whites

Foundation for maximising natural light and creating airy spaces

Foam White

Colour Code : W-161

Magical White

Colour Code : W-159

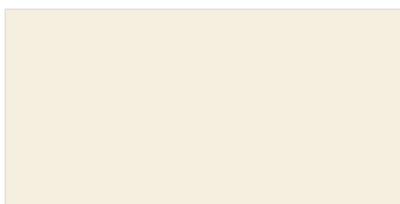

Cracker White

Colour Code : W-155

Warm Cream Whites

Softens bright whites while maintaining luminosity in living rooms and kitchens

Dessert Cream

Colour Code : W-147

Smooth As Butter

Colour Code : W-140

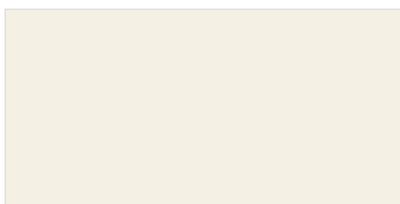

Chiffon White

Colour Code : W-146

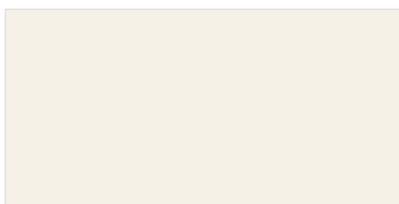

Subtle Ivory

Gentle alternative to pure white for bedrooms

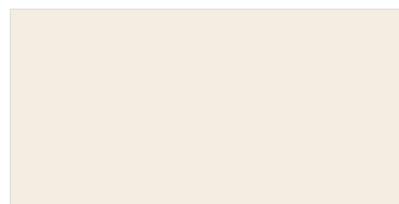

Yogurt Cream

Colour Code : W-148

Pillowy White

Colour Code : W-144

White Plains

Colour Code : W-149

Consultant Tip

Pair creamy whites with natural wood and soft, warm fabrics to keep spaces bright yet grounded. Recommended in Nerolac Impressions 24 Carat for a luxurious, low-odour finish with superior coverage.

SOFT NEUTRALS

Warm Beige

Grounded neutrals for open-plan homes, passages, and living spaces with prominent furniture

Fawn Beige

Colour Code : 2774

Almond Sand

Colour Code : 2037

Light Biscuit

Colour Code : 2036

Indian Linen

Sophisticated neutral for feature walls and furniture-forward living rooms

Biscuit

Colour Code : 2035

Coconut Bisque

Colour Code : 2044

Berber Beige

Colour Code : 2775

Sand Undertones

Natural, earthy choice for bedrooms and family spaces with southern exposure

Cream

Colour Code : 02554

Beige Glory

Colour Code : 2776

Dusty Beige

Colour Code : 2038

Consultant Tip

Soft neutrals feel balanced and easy to live with. They work equally well with clean whites for a fresh, open look, or with natural wood for warmth. Best applied with Nerolac Beauty Gold Washable for excellent stain-cleanability.

GREENS & MUTED BLUES

Soft Green Hues

Gentle wall colour for bedrooms, nurseries, and personal wellness spaces

Mint Song

Colour Code : W-219

Pistachio Nut

Colour Code : 2583

Four Leaves

Colour Code : W-220

Muted Blue Tones

Sophisticated choice for statement walls, offices, and transitional living areas

Powder Blue

Colour Code : 4558

Nordic Sea

Colour Code : 2455

Frozen Lake

Colour Code : 4931

Forest & Botanical Tones

Rich, grounded choice for feature walls, entryways, and formal dining areas

Green Lily

Colour Code : 2588

Mineral Water

Colour Code : 2585

Bombay Green

Colour Code : 4568

Consultant Tip

Soft greens bring an easy, natural flow when paired with warm neutrals. Muted blues work best with clean whites and good daylight. For exteriors, recommended in Nerolac Excel Mica Marble for a stretchable, crack-free finish.

WARM EARTHY TONES

Warm Clay

Energising base for living rooms, kitchens, and spaces with southern light

Golden Shadow

Colour Code : 2712

Golden Age

Colour Code : 2727

Golden Glaze

Colour Code : 2043

Golden & Honey Tones

Warm, uplifting choice for dining areas and spaces seeking intimate ambiance

Golden Delicious

Colour Code : 2662

Sunny Yellow

Colour Code : 2039

Soft Yellow

Colour Code : 2710

Rustic & Terracotta Notes

Character-rich option for feature walls and spaces celebrating heritage design

Bryce Canyon

Colour Code : 4578

Terracotta

Colour Code : 02569

Coral Blush

Colour Code : 2041

Consultant Tip

Warm earthy shades work well with natural light and suit both traditional and modern Indian homes. Best used as highlight walls. Apply with Nerolac Impressions Ultra HD for rich depth and long-lasting vibrancy.

MODERN GREYS

Light & Soft Greys

Contemporary neutral base for minimalist spaces and light-filled modern homes

Elegant Grey

Colour Code : 4505

Concrete Step

Colour Code : W-192

Misty Grey

Colour Code : 4507

Sophisticated Mid-Tone Greys

Statement colour for accent walls, modern offices, and refined living spaces

Silver Grey

Colour Code : 02556

Storm Grey

Colour Code : 4510

Winter's Chill

Colour Code : W-191

Deep & Charcoal Greys

Bold, architectural choice for feature walls and sophisticated accent spaces

Charcoal

Colour Code : 4515

Steel Grey

Colour Code : 4512

Blue Flame

Colour Code : 4933

Consultant Tip

Modern greys look best with clean whites, warm metal accents, and natural textures. Avoid pairing with strong yellows or reds. For exterior greys, Nerolac Excel Total provides all-weather protection with anti-algal properties.

Choosing colours is easier with the right guidance.

Our colour consultants have helped more than 42,000 homeowners select shades that work with light, layouts, and finishes – not just on screen, but in real spaces. Personalised guidance, online.
